Veterinary Neurosurgical Society 3rd Bi-Annual Meeting August 7th & 8th, 2015 – Annapolis, MD

Location: Maryland Inn at the Historic Inns of Annapolis, Maryland.

Program: The symposium will include two days of abstracts and talks. There will be a welcome reception, mid-day breaks, and a closing gala dinner.

Presented by: The Veterinary Neurosurgical Society. The VNS was formed to foster the advancement of veterinary neurosurgery through collegial relationships, professional meetings and continuing education.

The mission of the VNS is to:

- promote the advancement of the art and science of veterinary neurosurgery
- encourage its members to pursue original investigations, to report unusual cases and to discuss diagnosis, management and advances of neurosurgical conditions
- encourage its members to contribute to continuing education in neurosurgery and to report in high quality veterinary journals

The VNS is not specifically aligned with any college or organization, and is open to all veterinary professionals that are graduates of veterinary schools or colleges and that have special interests in veterinary neurosurgery.

Annapolis, MD: Annapolis is the capital of Maryland and has a deep place in history. Founded in the 1600s, it was a critical gateway for the colonies and the birth of the US. It was home to 4 signers of the Declaration of Independence and the location of the signing of the Treaty of Paris, the document that ended the war of independence from Britain. Exploring Annapolis is like walking through a museum, a museum that has real people living, working and enjoying what the city offers. It is also a great city for shopping, dining and hanging out. Please check out the website www.visitannapolis.org/explore/region/annapolis-city/. If you enjoy sailing or being on the water, you'll love Annapolis as well. It is home to the Naval Academy, has the best oysters on the east coast and is called the Sailing Capital of the US. Check out www.visitannapolis.org/explore/annapolis-city/things-to-do/ for inspiration and information in planning your trip to Annapolis.

Maryland Inn at the Historic Inns of Annapolis: The Historic Inns of Annapolis consist of three buildings built in the 1700s, all within walking distance of each other. With 40+ rooms, this boutique hotel is restored and has all the comforts of the 21st century. The hotel is one block from the famous City Dock and Ego Alley. The conference center is located within the Maryland Inn. **Please contact the Historic Inns of Annapolis at 410-263-2641 to make reservations. Rooms must be booked by June 30th, 2015 for the meeting rate to apply.**

Travel: For flights, Annapolis is best served by BWI-Marshall Airport (BWI) 20 miles away. Other options include Reagan National Airport (DCA)-40 miles away and Dulles Airport 60 miles away.
